I am a UK tax payer and I would like War on Want to reclaim tax on all donations that I have made in the last four years and all future donations that I make from the date of this declaration.

I understand that I must pay an amount of Income Tax and/or Capital Gains Tax for each tax year that is at least equal to the tax that all the charities that I donate to will reclaim in that year or else I take the responsibility to pay the difference. I understand that War on Want will reclaim 25p of tax on every £1 that I give.

I am not a UK tax payer
